April 2022

We want to thank

Joshua Popp for his dedication and service to the Town of Winslow as Town Council President. Most of you will never know just how hard Josh worked to make a positive impact on the town. We wish him all the best in his future endeavors.

Town Council Meetings

The Town Council meetings scheduled for Monday, April 11th and 25th are open to the public.

Please note: the function of the Council is to conduct the business of the Town of Winslow. While it is a meeting being held in public, it is not a Public Meeting. If you have an issue, please contact us about your concerns through our website @ townofwinslowin.com.

There you can Report a Code Violation, Submit a Question / Comment or if you prefer to remain anonymous, go to Printable Forms and download a form you can fill in and drop off. Of course you can always just call Town Hall during regular business hours.

Did you know

you can pay your water bill online or by phone 24/7, 365 days a year using your debit or credit card? Go to **PayGOV.US** or you can call 1-866-480-8552 toll free.

It's easy to set up your account. So no more worries if you forgot to pay your water bill and the office is closed. A small convenience fee, **not** collected by the town will be charged to the customer for this service.

Spay/neuter clinic

Let's fix those cats in Pike County and the surrounding areas! Public Vet will be holding a spay/neuter clinic on Friday, April 29th at the Winslow Community Center. Public Vet is a mobile veterinary clinic that focuses on at-risk communities in need of affordable spay/neuter surgeries and essential care for animals. Rates are \$90.00 for feral, free-roaming and owned cats. With support from Pet Friendly Services, discounts are available for cases with demonstrated financial need. Public Vet provides a Covid-19 safe experience with same day, drive-up Check-in and Discharge. Surgeries are by appointment only. Sign up at www.pub.vet.
