

Newsletter - What's Happening in Winslow

January 2022

Welcome 2022

Thank you to everyone who took the time to decorate for the holidays. Whether you decorated a little or a lot, you made our holidays a little brighter and you made Winslow shine!

Walking Path

We'd also like to thank the Town of Winslow for coming up with the rest of the money needed to finally complete the walking path. For those who aren't aware, the walking path is a ½ mile gravel path around the ball fields. Future plans for the path include adding benches, lighting, and other possible amenities.

Town Council Meetings

The Town Council meetings scheduled for Monday, January 10th and 24th are open to the public. Masks are preferred and depending on how many people attend, you may be required to wait outside the meeting room until it's your turn to speak. Citizens can participate by phone by calling 1-415-655-0001. The meeting ID is 126 947 8651. If asked for another number, just press the # key. The meeting will be open for dialing in at 5:50 pm and will start at 6:00.

Now hear this!

Did you know that a representative from Audible is at the old Town Hall every 1st and 3rd Friday to see to all of your hearing aid needs? Walk-ins are welcome but appointments are preferred. Please call (812) 479-1437 or (800) 545-3277 to schedule.

There are 744 hours in January.

Can you give us one?

The nation is facing historically low blood supply challenges and more donors are needed to ensure a readily available blood supply. Through its national inventory, the Red Cross can distribute blood whenever, wherever it is needed. But blood can take up to three days to be tested, processed and made available for patients, so it's the blood already on the shelves that helps save lives in an emergency. The American Red Cross must collect enough blood every day to meet the needs of accident and burn victims, surgery patients, and those receiving treatments for illnesses such as cancer, leukemia and sickle cell disease.

Winslow will be having a blood drive at the Winslow Community Center on Wednesday, January 26th from 2:00 pm to 6:00 pm. Please go to redcrossblood.org to schedule an appointment.

The Winslow Park and Recreation Board currently has a vacancy. The Board meets every 3rd Wednesday at 7:00 pm at the old Town Hall. The ideal candidate should be sensitive to the needs of the community and possess good judgment and the ability to work well with others. If you think you might be interested in serving on the Board, you can attend their next meeting on Wednesday, January 19th to check things out.
