July 2021

The results are in

We'd like to thank everyone who took the time to fill out the Town survey. Your feedback is important to us and provides valuable information necessary to determine what areas/issues we need to address. You can view the results by going to the town website. If the percentages aren't adding up, please bear in mind that not everyone answered every question.

Town Council Meetings

The Town Council meetings scheduled for Monday, July 12th and 26th are open to the public. Masks are required and depending on how many people attend, you may be required to wait outside the meeting room until it's your turn to speak. Citizens can participate by phone by calling 1-415-655-0001. The meeting ID is 126 947 8651. If asked for another number, just press the # key. The meeting will be open for dialing in at 5:50 pm and will start at 6:00.

And remember, you can still tell us about your concerns or issues through our website @ townofwinslowin.com where you can Submit a Question/Comment online. If you prefer to remain anonymous, go to Printable Forms and print out a form to fill out and drop off.

Code Enforcement

Judging from some of the survey responses, some code violations are "slipping through the cracks". We're currently evaluating our process to determine where the gaps are and how we can improve. If you know of a problem, you can go to the Report a Code Violation link on the Town website.

Winslow Park and Recreation Board

The Town Council is looking for someone to replace a board member that has moved out of the area. If you're interested in serving, please send an email to townboard@townofwinslowin.com. Board members are expected to serve a four year term. The ideal candidate should be sensitive to the needs of the community and possess good judgment and the ability to work well with others. The Board meets every 3rd Wednesday at 7:00 at the Winslow Community Center.

It's always a good day to read a book

So head on over to the Winslow Library and check one out. And while you're there, check out what's going on **inside** the library. Or you can go to the Pike County Public Library link on the Town website for a calendar of events.

Festival Planning

Planning for September's Community Festival is currently underway. We need **your** ideas to help make this year's festival the best one yet! The committee meets every 2nd and 4th Tuesday at 6:30 pm at the Winslow Community Center. And don't forget about the Light Up Winslow Parade. We've seen some amazing floats in past parades, let's keep up that tradition!
