

Newsletter - What's Happening in Winslow

July 2022

Many thanks

to Patoka Volunteer Fire Dept for putting up the American Flags for us. We appreciate your commitment to our community and for always being there for us when we need you.

Festival Planning

We need MORE! More ideas and more volunteers are crucial if we're going to pull off the festival this year. Covid shut us down two years ago and we were still feeling its effect last year with a marked lack of participation. So please, join us at our next meeting on Wednesday, July 13th, at 6:00 pm at the Old Town Hall.

Town Council

Meetings

The Town Council meetings scheduled for the 11th and 25th of this month will be held at the Winslow Town Hall.

Please note: the function of the Council is to conduct the business of the Town of Winslow. While it is a meeting being held in public, it is not a Public Meeting. If you have an issue, please contact us about your concerns through our website @ townofwinslowin.com.

SSOs and I/I

The Town of Winslow is committed to providing critical water and sewer services that protect the environment and public health. The Town possesses easements for water, sanitary sewer, pump stations and storm sewer. These easements are necessary to provide access to these utilities to perform routine maintenance and repairs to ensure the utilities operate properly and to meet certain state and federal laws. The maintenance of these systems is vital to preventing wastewater discharges to the environment. A sanitary sewer overflow (SSO) is the discharge of raw wastewater from the sewer system out onto the ground or adjacent creeks, streams, or rivers. The Town's maintenance program helps to reduce the number of SSOs but inflow and infiltration (I/I) due to broken or illegal wastewater connections, can overload the system during a heavy rain event and cause a sanitary sewer overflow. Improper materials such as wipes or a buildup of fats, oils, and grease may create a blockage and cause an SSO event. You may receive a door hanger with a Notice of Intent to Enter Property. Please secure your pets and allow our employees to perform the required maintenance or repairs necessary. **Please note:** This is NOT a request to enter your residence.

Mark your calendar

for these upcoming events:

Change

will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek.

- Barack Obama
