Spring Cleanup

A big **shout out** to our town workers who hauled off 23 loads of trash and a big **thank you** to Freedom and Fire Church who hauled off another 11. And now that we've gotten rid of our old junk let this be the beginning of a new and improved Winslow.

And Speaking

of new and improved, don't forget about the Winslow Beautification Recapturing Civic Pride program. Fix up the exterior of your home. This can consist big improvements such as remodeling or small improvements such as painting or landscaping or simply de-cluttering. Then e-mail your before and after photos to Beautification@Townofwinslowin.com for a chance to win a \$25.00 gift card to the Home Depot which can be used on your next project.

School's Out

and that means so are the children. You can't know what's just around the corner or just over that hill so **SLOW DOWN**. Remember, the speed limit on **all** of our streets is 25 mph.

Benefit for River

Harbin July 19th and 20th. Some of the events planned include a softball tourney, inflatable, an auction, corn hole tourney, concessions, and live bands. So get out and have a good time for a good cause.

And Don't Miss

these other upcoming events.

Riverside Park Flea Market -
6/15, 7/20 and 8/17

Clog the Patoka - 7/13

Mammograms at the Community
Center - 8/13

Summer Fun

usually means more water consumption. Washing cars, watering plants and gardens, and children playing in wading pools and sprinklers can all add up to a bigger water bill. You may be able to offset that increase by utilizing some of the water saving tips you'll find on our website. Go to Town Government, Water, then Water Saving Tips. You can pick up a printed copy at Town Hall.

The future

belongs to those who believe in the beauty of their dreams.
